

Dear Colleagues,

I would appreciate your support as UFE Treasurer for the next term.

Long-time UFE Treasurer Keith Adolphson retired at the end of academic year 2020–2021, and I was appointed to finish his term, serving as the UFE Treasurer for 2021–2022. During that time, I updated some longstanding practices (for instance, a transition from analog to digital record keeping for our checking accounts) in order to streamline our bookkeeping methods.

Moving forward, I will continue to give quick attention to any UFE-related matters of finance, and I will continue to support the UFE as a member of the executive board.

Frank Lynch
