

My name is Martín Meráz García and I have served as Vice President of Membership for the United Faculty of Eastern since 2016. My duties include: recruitment of new members, process new application, maintain channels of communication between university administrators, the union, our members and our state affiliates to ensure university and state policies are properly adhered to regarding membership, payroll deductions and representation. As a Board member I have served in other roles including mediating disputes related to workloads, Faculty Activity Plans (FAPs), denials of extension of probationary periods, denials of tenure, and denials of promotion among others.
